

COMAR 10.67.06.07

Benefits -- Inpatient Hospital Services

A. An MCO shall provide to its enrollees medically necessary inpatient hospital services as specified in this regulation.

* * *

H. Payment For Ancillary Services.

- (1) [A]n MCO shall pay for all medically necessary ancillary services provided on inpatient hospital days including those days for which the inpatient hospitalization is otherwise appropriately denied.
- (2) A denial of an inpatient ancillary service shall be based on the medical necessity of the specific ancillary service.
- (3) An MCO is not required to pay for ancillary services if the entire hospitalization in section H(1) of this regulation is appropriately denied.

Amended Oct. 26, 2015 and Feb. 27, 2017. Formerly COMAR 10.09.67.07, and transferred by MD Register Volume 46, Issue 22, effective Nov.1, 2019.
